WHAT IS MY AID OFFER?

Your Aid Offer lists, for your period of enrollment:

- 1) Your estimated Cost of Attendance to attend Great Falls College MSU
- 2) Your Expected Family/Student Contribution (EFC) toward the cost of attendance
- 3) Your Financial Aid Eligibility after the EFC is subtracted from the Cost of Attendance
- 4) An estimate of the amount and types of financial aid for which you are eligible

The Cost of Attendance is an **estimated** amount of what you, the student, will incur in both educational costs AND living expenses for your enrollment period. **THIS IS NOT THE AMOUNT YOU OWE THE COLLEGE.** The Cost of Attendance is broken down into the following three components: (1) Tuition/Fees, (2) Books/Supplies and (3) Living/Misc. Expenses. These amounts are determined by the following items that you reported to us on your Student Data Form:

Residency Status (Montana residency is assumed) and Enrollment Status (i.e., 0, 1-5, 6-8, 9-11, 12+ credits for each term of enrollment). If the elements are incorrect on your aid offer, contact the Financial Aid Office.

The EFC is the amount determined by Federal calculations that your family can contribute toward your Cost of Attendance during the enrollment period. This amount is calculated through needs analysis using the information you submitted on your Free Application for Federal Student Aid (FAFSA). The Financial Aid Eligibility is the estimated Cost of Attendance minus the EFC. This amount determines the types and amount of Federal financial aid for which you may be eligible.

The Federal financial aid you are awarded may consist of one or more of the following, depending on your eligibility and the funding available for each program: Federal Pell Grant, Federal SEOG Grant, Federal Work-Study, Montana Work-Study, Federal Direct Subsidized Loan, and Federal Direct Unsubsidized Loan. Descriptions of each fund are contained in the catalog at www.gfcmsu.edu.

Other types of resources that may be listed on your Aid Offer are outside scholarships, outside agency funding such as Voc Rehab or WIA/JTPA, Bureau of Indian Affairs, and Tuition Waivers. These amounts are based on information you have provided and are only estimates.

If the information is correct, agree to the Terms & Conditions, then proceed to the Accept/Reject portion of the letter. Your acceptance/rejection decision will be transmitted electronically to the Financial Aid Office.

As changes occur to your financial aid award, revised Aid Offers will be sent. Events that may result in a change include: a revision of the terms attending or credits enrolled in, award of scholarships, receipt of outside funding, award of additional loans (at your request) or changes to your work study award. It is not necessary to accept/reject financial aid again, unless the letter instructs you to.

WHAT IF I HAVE QUESTIONS REGARDING MY FINANCIAL AID?

General information regarding Financial Aid at Great Falls College MSU is available at our home page located at www.gfcmsu.edu/finaid. You may view specific information about your financial aid status and award on BannerWeb/MyInfo. For additional questions, email finaid@gfcmsu.edu or call (406) 771-4334.

WHAT IF I AM AWARDED WORK-STUDY?

The Federal/State Work-Study Program allows you to obtain a Work-Study job, usually on campus. If you are awarded Work-Study and do not wish to accept this award, reject the award on the Aid Offer. If you chose to accept your Work-Study award, information explaining your Work-Study award will be e-mailed to you. If you have any questions regarding Work-Study, contact the Financial Aid Office.

WHAT IF I AM INTERESTED IN WORK-STUDY AND IT IS NOT ON MY AID OFFER?

If you were not awarded Work-Study and are interested in receiving it, contact the Financial Aid Office to be placed on a waiting list for Work-Study funding, if eligible. This list is reviewed on a first-come first-served basis after each semester (Fall/Spring) begins.

WHAT IF INFORMATION ON MY AID OFFER IS INACCURATE?

Your award is based on the following factors you indicated on the Student Data Form: 1) Your expected enrollment status for each term; 2) Your residency status; 3) Your credits earned; 4) Your Bachelor's degree status; and 5) The types of outside resources you are receiving. If any of this information is inaccurate or changes, contact the Financial Aid Office. Your financial aid budget will be adjusted and may result in a change in the aid awarded.

WHAT IF MY FINANCIAL AID AWARD INCLUDES A STUDENT LOAN?

If you accept a student loan from Great Falls College MSU for the first time, you must complete Loan Entrance Counseling and sign a Master Promissory Note. You will complete Student Loan Entrance Counseling and Master Promissory Note online at <https://studentloans.gov>. You will need your FSA ID to log in to the studentloans.gov website.

HOW WILL I RECEIVE MY FINANCIAL AID FUNDS?

Your financial aid funds will be automatically deposited into your student account at Great Falls College MSU and credited to your outstanding tuition and fees, including bookstore charges and health insurance premiums. Work-Study funds will NOT be paid directly to your student account. Work-Study funds will be paid to you in a paycheck every other Wednesday as you document hours worked to earn these funds.

WILL MY AWARD EVER CHANGE?

Your award may be affected by many factors, including changes in Federal, State, or institutional regulations, or the number of credits for which you enroll. The Financial Aid Office will notify you of any changes to your award by sending you a revised Aid Offer.

WHAT WILL MY BILL BE?

Your bill to Great Falls College MSU will depend on the number of credits for which you enroll, the types of classes in which you enroll, and whether or not you charge books. You may review your bill at any time at [BannerWeb/MyInfo](#). Questions about your bill should be referred to Student Accounts at (406) 771-4315 or (406) 771-5129.

WHAT IF I NEED MORE MONEY?

You may have eligibility for additional federal loans; inquire at the Financial Aid Office.

WHAT IF MY FINANCIAL AID DOES NOT COVER MY BILL?

Any tuition, fees or book charges not covered by your financial aid must be paid by you by the payment deadline. Payment arrangements can be made with Student Accounts for tuition and fees not covered. Any books not covered by financial aid must be paid for at the time of purchase. Additional Unsubsidized loans may be available to you, or your parent may be eligible for a PLUS loan. Contact the Financial Aid Office for more information.

WHAT IF MY FINANCIAL AID IS MORE THAN MY BILL?

If your financial aid is more than your costs for tuition, fees, and books, you will receive these funds to help with living expenses. If you have a Federal Pell Grant, Federal SEOG Grant, Federal Direct Subsidized Loan, or Federal Direct Unsubsidized Loan, institutional charges will be automatically applied. If there are any funds remaining after the institutional charges are applied, a refund will be processed by the Student Accounts Office. Refund checks will be mailed to students unless they enroll in direct deposit. For assistance enrolling in direct deposit, contact the Student Accounts Office at (406) 771-4315 or (406) 771-5129.

Grants and loans refunds will be available after the drop/add period each term. Students must ATTEND CLASSES and satisfy all requirements before refund checks are issued, including, but not limited to: Award acceptance, Loan Entrance Counseling, Master Promissory Note signature, terms and conditions related to satisfactory progress appeal approvals. Specific dates for refund checks are posted at: <http://finaid.gfcmsu.edu/dates.html>

In the event refund dates change, updated information will be posted at www.gfcmsu.edu

HOW DOES CHARGING BOOKS AFFECT MY FINANCIAL AID?

Because your excess funds are not available until approximately one month after school begins, Financial Aid recipients may be eligible to charge books at the College Bookstore. A bookstore account will be established, with the dollar limit based on the number of enrolled credits. The Financial Aid Office may increase the amount of your charge limit. Only the actual amounts of purchases are applied to the student's account, and the refund (if any) is reduced by these charges.

HOW DO I CONFIRM ATTENDANCE?

If your fees are paid by financial aid or another outside source, you must still confirm your attendance. This process verifies your intent to attend classes for the semester. To confirm your attendance, log into the secure area of [BannerWeb/MyInfo](#) and select Electronic Billing and Payment.

WHAT IS SATISFACTORY ACADEMIC PROGRESS?

Satisfactory Academic Progress (SAP) is the minimum standards you must maintain to continue receiving financial aid funding. SAP takes into consideration: your pace (number of credits completed versus number attempted), cumulative grade point average, and time frame/credit limit. A complete copy of the Satisfactory Academic Progress policy is available at the Financial Aid Office and on the GFCMSU website (www.gfcmsu.edu) under the "Paying for College" tab. You are responsible for reading and understanding this policy.

WHAT IF I DROP A CLASS?

Dropping a class may affect the amount and type of funding for which you will be eligible. The effect will depend on the date you drop the class, the aid you've received, and the number of credits you drop. Dropping a class may also prevent you from maintaining compliance with SAP requirements. Before dropping any class, consult your Academic Advisor and the Financial Aid Office.

WHAT IF I WITHDRAW FROM ALL OF MY CLASSES?

Completely withdrawing from all classes can have many different effects on your financial aid, depending on the date of withdrawal. The Financial Aid Office may have to perform a return of funds calculation to determine how much of your financial aid you have earned. You may be required to repay all or part of your financial aid, you may be ineligible to receive any future financial aid funds, and you may be placed on Financial Aid Suspension for failure to maintain compliance with SAP requirements. Consult your Academic Advisor and the Financial Aid Office before completely withdrawing from Great Falls College MSU.

WHAT IF I STOP ATTENDING ALL MY CLASSES?

Attendance in your classes is required to receive financial aid. If you fail all of your classes in one term because you stop attending, the effect on your financial aid will depend on your last date of documentable attendance or the 50% point, whichever is later. These effects include having to repay all or part of the financial aid that has been disbursed to you, inability to receive future financial aid until repayment is made, and being placed on Financial Aid Suspension for failure to maintain compliance with SAP requirements. If you are in danger of failing a class or classes or wish to withdraw from the College, contact your Academic Advisor for academic counseling and consult the Financial Aid Office to determine the effect it will have on your financial aid.

WHAT IF I FAIL A CLASS/CLASSES?

A failed class may affect your ability to comply with SAP requirements. You may be placed on Financial Aid Suspension which may affect your ability to receive financial aid in future terms. If you are in danger of failing a class or classes, contact Student Services for academic counseling and consult the Financial Aid Office to determine the effect it will have on your financial aid. In addition, if you fail all of your classes in a semester, you may be found ineligible for a portion of the financial aid you received and be required to return it.

WHAT IF I RECEIVE AN INCOMPLETE GRADE?

An incomplete is treated the same as other non-completion grades such as "W" or "F". This can negatively affect your compliance with SAP requirements. If you plan to take an incomplete, consult the Financial Aid Office.

IS CLASS ATTENDANCE REQUIRED?

Yes. In order to receive your financial aid at Great Falls College MSU, class attendance is required. If you do not establish attendance by the 15th day of class, you will be administratively dropped from the class and financial aid will be adjusted.

HOW MANY TERMS CAN I RECEIVE FINANCIAL AID?

Federal regulations limit the amount of time you may receive Federal financial aid. This limit is based on the number of credits required for your program of study. You may receive financial aid for up to 150% of those required credits. All attendance at Great Falls College MSU is included in your maximum time frame whether aid is received or not, including transfer credits. Regardless of this time frame, you must comply with all other SAP requirements. In addition, a student is limited to receiving a Pell grant for full time status to 12 semesters and may be limited to receiving Subsidized Loans for 150% of the published length of the declared academic program.

WHAT IF MY FINANCIAL SITUATION CHANGES DRAMATICALLY DURING THE YEAR?

If your financial situation changes dramatically during the academic year, such as losing your job, you may be eligible for special condition consideration. Contact the Financial Aid Office for a Special Condition Form if you feel you may qualify for a special condition.
