Addendum A – Human Resources Policy on Sexual Harassment
Introduction

Federal Work Study is a federal financial aid work program partially funded by the United States Department of Education. State Work Study is a similar program funded by the state; only Montana residents enrolled as full-time students are eligible for State Work Study. The two programs are jointly referred to as College Work Study (CWS). In order to qualify for a work-study award, the student must:

- Demonstrate financial need through the FAFSA application process
- Maintain satisfactory academic progress while employed in the program
- Be enrolled for a minimum of 6 credits

Great Falls College MSU has a limited amount of funding for the work study program. Awards are made to eligible students on a priority basis, based on the date the FAFSA and all verification was submitted to the Financial Aid Office. Students are encouraged to complete the FAFSA and submit required verification to the Financial Aid Office by March 1st to increase chances of receiving a CWS award.

If a student is not awarded CWS and would like to be considered for a position, the student may request to be placed on the waiting list. The student will remain on the waiting list until funding is available.

Once a student has been awarded CWS, they will be informed of the procedure to locate a position. If the student does not find a position within the given period of time, the CWS award will be cancelled. This will allow the funds to be offered to another student.
Student Eligibility

Students who have been awarded Work Study must maintain eligibility.

Enrollment Status

A student must be enrolled in a minimum of six credits in the current semester to be eligible for CWS. Students who graduate, withdraw from classes, or drop below six credits are not eligible for a CWS position. CWS workers must stop working the day their change in enrollment status occurs.

Satisfactory Progress

CWS students must also maintain satisfactory academic progress. In the event a CWS student is placed on financial aid suspension, the student immediately becomes ineligible for CWS. Once the financial aid suspension has been lifted, the student may once again be considered for a CWS position.

Changes in Award

On occasion, a student’s award for CWS may change. Typically this occurs when a student’s costs decrease due to additional income, or decrease due to a change in enrollment. This may occur as a result of a student: becoming eligible for additional educational resources (fee waiver, scholarships, WIA, Voc Rehab), requesting additional loan funds OR changing enrollment status (terms attending or number of credits)

Students will be notified by the Financial Aid Office when changes occur. Also, the Financial Aid Office may change from Federal Work Study to State Work Study. This change does not affect the student’s overall eligibility, but simply designates the funding source.
Employment Opportunities

There are a variety of approved employers, both on and off campus. CWS students may apply for those positions available at approved employers. Students are responsible for applying for jobs they are interested in, and obtaining a job.

Finding A Job

A list of all currently available positions is posted at www.gfcmsu.edu. Click on the “Paying for College”, then select Work Study. The listing only includes positions that are currently vacant; the listings are updated regularly. CWS students should complete an Application for Student Employment form (also available on the website) and submit it directly to the contact person indicated for the job. A student may apply for more than one job.

The supervisor will contact the student to arrange for an interview. The supervisor may choose to interview only a portion of the applicants.

Employers may require additional documentation from the applicant, including a resume or transcript. Supervisors may conduct a formal interview, or visit with students informally. The employer may decide to stop accepting applications at any time. The Financial Aid Office should be notified so the job will be removed from listing of open work study jobs.

Once a student has been offered a job, the supervisor should inform the Financial Aid Office. The Financial Aid Office will:
- Issue a Work Study Certification form to the position supervisor
- Help supervisor arrange for the student to meet with Human Resources and Payroll staff to complete payroll forms

If a student fails to obtain employment within the given time period after receiving the eligibility information and instructions, the CWS award may be cancelled. If students have mitigating reasons why they were unable to obtain employment within that period, the student may request an extension.

Rehires

A returning student may request a former CWS supervisor rehire them for a current academic year; the employer is not required to do so. Likewise, a CWS student is not required to return to a previous supervisor.

Job Changes

In the event a CWS student finds it necessary to change work study positions due to scheduling issues or other concerns, the student should contact the Financial Aid office. The CWS student must give at least one weeks’ notice prior to leaving a position.
**Work Study Certification Form**

The Financial Aid Office provides the supervisor a Work Study Certification form after the student has a job offer. The form indicates the amount of the work study award and the maximum number of hours available. The eligible time period is also indicated.

The Student and Supervisor complete the form and return it to the Financial Aid Office. After the form is completed by the Financial Aid office, both HR and Payroll will be provided a copy. A copy of completed Work Study Certification forms will all signatures is retained by the Financial Aid Office.

A new form is required each academic year, and when a CWS student changes jobs.

**Work Authorization**

A student must contact the Human Resources (HR) and Payroll Departments within three days of hire to complete necessary new hire and payroll forms. The student will be required to complete a tax withholding statement and verify their eligibility to work in the United States. The student must provide documentation of identity and employment eligibility. Most students present their social security cards and driver’s license or state ID card; however, a variety of documents are acceptable.
Payroll Policies & Procedures

Timesheets

CWS students should keep an accurate record of the time worked. Time is recorded to the nearest ¼ hour; 15 minutes = .25 hours, 30 minutes = .50 hours, 45 minutes = .75 hours. All CWS students are encouraged to record their hours daily on a time sheet, Hourly Time Record form, or calendar.

Students employed on campus will complete electronic timesheets thru BannerWeb/My Info. The first timesheet will be paper, and will be provided to the student by the Payroll Department.

Student employed off campus will be required to complete paper timesheets. Timesheets are available at the Payroll Department the first few days of each time period. A separate time sheet is required for each time period. Time sheets must be legible and completed in ink.

The student must complete and submit the time sheet to supervisor no later than the last day of the pay period. The supervisor will verify the hours, and either (1) sign the form and submit it to the Payroll Department for off campus employers, or (2) review the form in BannerWeb/MyInfo and submit.

Any timesheet submitted after the due date will be delayed two weeks; it will be processed with the next payroll.

Payroll

CWS students are paid bi-weekly, according to the Great Falls College payroll schedule. If students choose to be paid with a check, those are mailed on payday to the student mailing address on file. Direct deposit of pay is recommended. A form to elect direct deposit is provided when the student is hired. Thereafter, direct deposit can be elected from BannerWeb/MyInfo. For more information, go to the Great Falls College MSU website, choose Faculty and Staff, choose Forms, go to category Payroll, and read Payroll Direct Deposit FAQ. For assistance, contact the Payroll Office.

All CWS students may view their pay stubs on BannerWeb/MyInfo, by entering the secure area, logging in, and selecting Employee Services.
Student Employment Policies

Wages

CWS students will earn the hourly wage established by the GFC MSU Executive Team in 2022, which is $15 per hour.

CWS students are not eligible for overtime pay.

Maximum Hours

CWS students may work a maximum of 20 hours per week when classes are in session. During break periods CWS students may work a maximum of 40 hours per week. However, the student’s actual hours are dependent on the employer’s needs, the student’s academic schedule and the amount of the student’s total CWS award. Students who work 20 hours per week will exhaust their eligibility before the end of the academic year.

Work Periods

A student must be enrolled in at least six credits for the current term to be eligible for CWS employment. The work periods are as follows:

- **Fall Semester**
  - Start: Up to three weeks prior to the first day of the term (official start date is determined by Payroll and Financial Aid office)
  - End: Last day of Fall Term Finals Week

- **Spring Semester**
  - Start: Monday after the end of Fall term Finals Week
  - End: Last day for Spring Term Finals Week

- **Summer Semester**
  - Start: Monday after the end of Spring term Finals Week
  - End: Last for Summer term

If a student is enrolled for six credits in both Fall and Spring semesters, they may work the entire break between sessions. If the student is enrolled for six credits in both Spring and Summer semesters, they may work the entire break between sessions. **In no event may any student work after the last day of summer semester.**

The initial work study award does not include amount for summer. In the event the CWS student will be attending summer sessions and enrolled in at least six credits, they should contact the Financial Aid Office to request summer authorization.
Work Schedule

The student and their supervisor will mutually agree upon a schedule. The schedule is always subject to change, dependent upon the student’s schedule and the employer’s needs. Under no circumstances may a student work during scheduled class time.

If there is not adequate work to perform during a given time (i.e., breaks between sessions, etc.), the supervisor can adjust the schedule.

Benefits

CWS students are not eligible for benefits. Students are not eligible for paid holidays and do not accrue sick leave or vacation benefits. CWS students are not eligible to participate in the employee insurance plan.

Dress Code

There is no formal dress code for CWS employees. Student workers are expected to dress appropriately for the job they are performing. A student's clothing must be clean and in good repair. A CWS student must exercise good personal hygiene habits. Individual employers may establish a dress code for their department based on safety concerns and work requirements. Students will be notified in advance of acceptable dress and appearance in their department.

Under no circumstance will a CWS student while on the job be allowed to wear provocative clothing, clothing bearing offensive language or advertising alcohol, cigarettes, illegal substances or events, or clothing that exposes their midriff.

Sexual Harassment

Title VII of the Civil Rights Act of 1964 prohibits discrimination on the basis of gender. Sexual harassment is a form of gender-based discrimination. Great Falls College MSU prohibits and will not tolerate sexual harassment on its premises, within any of its programs, services or other college-sponsored activities, or by anyone acting as an agent of the college. Students and student workers are protected under this act.

Great Falls College MSU uses the definition of sexual harassment set forth by the U.S. Equal Employment Opportunity Commission which states:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects an individual’s employment, unreasonably interferes with an individual’s work performance or creates an intimidating, hostile or offensive work environment.

Sexual harassment from consumers and members of the general public who come into contact with the college or its agents are covered by this policy as well.
A CWS student who believes they are experiencing sexual harassment should immediately contact the Human Resources Director.

Injuries/Accidents

CWS students who suffer an accident or injury while performing job duties must immediately report the injury or accident to their supervisor. Medical treatment required as a result of a work injury will be covered by Great Falls College MSU workers’ compensation insurance. Failure to report an accident that later develops into a serious injury may result in difficulties in receiving applicable workers compensation coverage.
Job Performance

Although CWS is a financial aid program, it is a job and carries with it the same responsibilities of any job. Students are expected to conduct themselves professionally while on the job.

Evaluations

Although not required, supervisors are encouraged to conduct performance evaluations on their CWS students. The Supervisor should review the written evaluation with the CWS student, and provide a copy of performance evaluation to the student.

Disciplinary Action

If the supervisor finds a CWS student’s performance unsatisfactory in some areas, the supervisor will address it with the student. The supervisor will offer training and other tools to help the student improve his performance.

In the event the CWS student’s performance continues to be unacceptable, or when an incident warrants it, the CWS student’s employment may be terminated.

_Students should view discipline as guidance, not punishment. It is an opportunity to improve._

Addendum A
Great Falls College - Montana State University
Policy and Procedure Manual
SUBJECT: 400 Human Resources Policy 401.2 Sexual Harassment
Reference: EEOC Guidelines on Sexual Harassment; Civil Rights Act of 1991

Title VII of the Civil Rights Act of 1964 prohibits discrimination on the basis of gender, and sexual harassment is a form of gender-based discrimination. Great Falls College Montana State University prohibits and will not tolerate sexual harassment on its premises, within any of its programs, services or other College-sponsored activities, or by anyone acting as an agent of the College.

Great Falls College Montana State University uses the definition of sexual harassment set forth by the U.S. Equal Employment Opportunity Commission which states:
Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when submission to or rejection of this conduct explicitly or implicitly affects an individual’s employment, unreasonably interferes with an individual’s work performance or creates an intimidating, hostile or offensive work environment.

The College extends these protections beyond its employees to include its students (in accordance with Title IX), other consumers, and members of the general public who come into contact with the College or its agents.

Anyone who believes that he or she has experienced sexual harassment should immediately contact the College’s Human Resources Director to discuss options for resolving the issue. Individuals are generally encouraged to attempt to resolve the issue informally by discussing their concerns with the alleged harasser, his or her supervisor, or both. However, the College recognizes that sexual harassment is a sensitive and potentially volatile issue, and if it is not feasible for the harassed individual to follow this recommended procedure, the Human Resources Director should be contacted initially to begin an investigation. All complaints will be handled with discretion and information provided in the initial complaint and during the course of the investigation will remain as confidential as possible. The identity of both the complainant and the alleged harasser will be protected.

Employees and students who believe they have experienced sexual harassment are encouraged to report the incident(s) or action(s) as soon as possible after the alleged harassment has occurred. Early reporting is encouraged, because ability to investigate and act on such reports diminishes with time. Sexual harassment complaints must be received within 180 days of the alleged act(s), with the possibility of extending that deadline to 300 days with extenuating circumstances.

The Human Resources Director will generally begin with an informal investigation to determine the validity of the charge and seek satisfactory resolution. In extreme or potentially dangerous circumstances, the Human Resources Director will authorize an immediate formal investigation and may recommend that the alleged offender be suspended from duties with pay and/or barred from the premises pending the findings of the investigation.

The Human Resources Director will complete the investigation within fifteen (15) working days of the receipt of the complaint, unless circumstances beyond the control of the investigator prevent such timely completion. In that case, the Human Resources Director will request an extension of up to fifteen (15) working days to complete the investigation.
Upon completion of the investigation, the Human Resources Director will complete a Report of Findings and submit it to the Dean within ten (10) working days of the completion of the investigation. When circumstances prevent completion within that timeframe, the Human Resources Director may request an extension of up to ten (10) working days.

Any individual found to be guilty of violating the College’s sexual harassment policy will be subject to discipline commensurate with the nature of the offense. Disciplinary action up to and including termination may be implemented.

Individuals who submit complaints and/or participate in the investigation process are protected from retaliation resulting from their participation. Anyone engaging in retaliatory behavior will be in violation of the College’s sexual harassment policy, and therefore subject to appropriate disciplinary action as outlined above.

Great Falls College Montana State University is committed to providing and ensuring a safe, positive learning environment that is free from harassment.

Observation of Harassment
Employees who are not themselves victims of sexual harassment, but observe actions which they have interpreted to be harassment, should bring such actions to the attention of the Human Resources Director.

Confidentiality
Reports of sexual harassment, including the investigation, the outcome of an investigation and any action(s) taken relating to a specific employee(s) or student(s) are confidential. Dissemination of confidential information shall be limited to persons with a need to know during the course of and following an investigation.

Violations of Policy
Substantiated violations of this policy may result in disciplinary action that complies with the discipline policy of the College. If the initial violation is sufficiently severe or if lesser violations are repeated, appropriate discipline may include discharge.

If disciplinary action results from a report of sexual harassment, the respondent may file a complaint under the College’s complaint policy or through a grievance procedure available through collective bargaining agreements or statute.
Great Falls College MSU is committed to a policy of non-discrimination on the basis of race, color, religion, sex, age, sexual orientation, marital status, national origin, disability or status as a disabled or Vietnam Era veteran, in admissions, educational programs, or activities and employment, all as required by applicable laws and regulations.

The Financial Aid Office may not award financial assistance in the form of loans, grants, scholarships, special funds, subsidies compensation for work, or prizes to vocational education students on the basis of race, color, national origin, sex, or handicap, except to overcome the effects of the past discrimination.

The Financial Aid Office may administer sex restricted financial assistance where the assistance and restriction are established by will, trust, bequest, or any similar legal instrument, if the overall effect of all financial assistance awarded does not discriminate in the basis of sex. Materials and information used to notify students of opportunities for financial assistance may not contain language or examples that would lead applicants to believe the assistance is provided on a discriminatory basis. If the Financial Aid Office’s service area contains a community of national origin minority persons with limited English language skills, such information must be disseminated to that community in its language.
